### **KEBS BCMS POLICY**

KEBS is committed to ensuring the implementation of a robust and effective Business Continuity Management System (BCMS) as a key mechanism to prepare, protect against, restore and deliver continuity of prioritized activities in Standardization, Metrology & Conformity Assessment services and related enabling activities in the event of a disruptive incident.

In line with this, KEBS has established Business Continuity objectives in all functions within the scope. We commit to meet the identified legal and interested parties' requirements and continually improve the effectiveness of the BCMS.

This policy and related objectives shall be reviewed on an annual basis and when significant changes occur.
